

COMPANY PROFILE

LI SAP is an Italian company leader in the professional hair care cosmetics.

Since its establishment in 1952, LI SAP has reached a successful position in the development, the manufacture and commercialization of trichological products addressed to Hairdressers, Beauty Salons and Department Stores.

The range of products includes hair cosmetics such as:

- Colours
- Setting lotions
- Hair sprays
- Shampoos & Lotions
- Styling and treatments

All the other products suitable for the hairdresser's need.

Our activities cover all steps involved: the study of the formulations, performed by our R. & D. Department, the manufacture of the same at our Factory and the commercialization through our sales force in Italy and Distributors abroad.

Exportwise and from geographic view point, the Company has a strong presence in 70 Countries of the following areas:

Europe
The Americas
Asia
Africa
Australia

We are looking for new Partners and Distributors.

Would you like to be part of our World?

If so, we will be happy to send you more detailed information.

Thanks for your suggestions and advice.
