# Brokerage Event

3<sup>rd</sup> EDITION OF **RIGENERGIA**  
On the occasion of the  
"World environment day"

VD'A Palaexpo - Loc. Autoporto - Pollein (Aosta) ITALY  
**rigenergia09**

## Brokerage Event

5th June 2009

### International Brokerage Event

A day of one-to-one meetings aimed to technology transfer and to commercial cooperation among enterprises, research bodies and public institutions.

Any enterprise, body or professional wishing to find partners for possible agreements on technology, research, trade, distribution or common projects is invited to attend.

Those who are interested must fill in a profile in English which will then be inserted in the online catalogue for the cooperation requests and offers. After carefully selecting the most interesting profiles, bilateral meetings will be put on a customised agenda (each meeting will last around 30 minutes). The cooperation profile catalogue can be found on the Rigenergia website:

<http://www.rigenergia.it/rg/borsa09eng.aspx>

## Tecno Camp

A conference space where bodies, associations, enterprises, universities and research centres have the chance to intervene with their reports on subjects regarding renewable energies, energy saving and emissions reduction.

The Organiser give the exhibitors and the foreign enterprises attending the Brokerage Event the chance to use the conference room and the technical equipment free of charge, for around 30 minutes each. Working languages are Italian, French and English.

## How to participate to the Brokerage Event

Please find the application form on

<http://www.rigenergia.it/rg/borsa09eng.aspx>

Deadline for applying to the event:

**10th May 2009**

Price: free

Participation to the Brokerage Event includes:

- Your cooperation profiles inserted in the catalogue of the Brokerage Event
- Pre-scheduled cooperation meetings with the companies taking part in the event
- Interpreting services for negotiations
- Use of the International point services
- The Tecno camp conference room at your disposal for half-hour presentation
- 2 nights hotel accommodation and meals (for one person)
- Support before, during and after the event

Thanks to the agreement with the Italian Institute for Foreign Trade (ICE), foreign companies selected by the ICE offices of the following countries will also attend the event: Spain, France, Germany, Scandinavian Countries, Denmark, Turkey, Austria, Czech Republic, Romania and the United States of America.

*The Tecno Camp, the Brokerage Event and the International Point are organised in the frame of the Convention between Regione Autonoma Valle d'Aosta and the Italian Institute for Foreign Trade (ICE).*

### Special conditions for foreign exhibitors

Foreign exhibitors who will buy an exhibition space at Rigenergia 09 guaranteeing their presence during the running of the exhibition (3 days), will be granted free hotel accommodation (4 nights) and meal tickets (3 days). Rules and forms for foreign exhibitors can be found on the Rigenergia website

<http://www.rigenergia.it/rg/espositori09eng.aspx>

Deadline for purchasing an exhibition space is

**31<sup>st</sup> March 2009**
